

2026 Late Model Stock Rules

Refer to 2020 NASCAR Late Model Stock Rulebook

Amendment I:

Refer to 2026 Nascar Rulebook with the exception to the shock rule. Cars Tour shock rules apply.

Tires

1. Competitors will be required to purchase tires at the racetrack the day of the event. No outside tires will be permitted to race.
2. You may buy as many practice tires as you need.
3. Tire serial numbers will be recorded and kept on record to keep tires from getting swapped. These tire serial numbers belong to the car ONLY. No selling or swapping of tires between drivers/teams.
4. Anyone who is caught with wrong tires will lose all money and receive last place points for that race event, and be subject to fines. This will not be tolerated.
5. No tire soaking permitted. If caught, you will lose all money and receive last place points for that race event, and be subject to fines. This will not be tolerated.
6. In the event you have a flat of damaged tire/tires TCS officials have final discretion regarding the spare tire/tires used.
